

Vet Authorization Agreement

The safety and well-being of your pet(s) is of the highest importance to Bliss Pet Resort - Castle Hills LLC. Ensuring that your pet remains safe and well cared for is our first responsibility and as such we take it very seriously.

We do our best to have our pet parents screen for pre-existing health conditions but some factors may be beyond our control. In the event that a medical emergency arises while a pet is at our facility or participating in a service that we provide, it is imperative that we have a Local Emergency contact on file (besides yourself) who we can contact to pick up your pets in the event of a medical emergency if you are unable.

In the event your emergency contact is not able to be reached, you authorize us to immediately seek medical treatment at the closest available facility based on our discretion. If the situation permits, we will call your veterinary center first, then check with next nearest animal center for availability to handle the medical treatment needed. In extreme emergencies, we notify the owner and emergency contact after we have secured the pet's medical treatment in order to avoid delays that may be caused by emotion on the part of the pet parent. Our goal is to get your pet medical attention as quickly as possible, and any distractions may interfere with that process.

I understand that in the event of a medical emergency, I authorize Bliss Pet Resort - Castle Hills LLC to contact my emergency contact if I can not be reached and / or to seek care at their sole discretion by a licensed veterinarian for my pet(s). I further agree that I am financially responsible for any and all medical treatment my pet(s) received as a result of a medical emergency while attending services provided by Bliss Pet Resort - Castle Hills LLC.
